# Seating plan

SHORT BASE

LONG BASE

Here you can see the most popular seating plans available. We can also create limousine and custom-type seating if needed.

ALL OF THE SIDE PANELS ARE  
MADE IN PLASTIC, NOT WOOD,  
THEREFORE ARE RESISTANT  
TO WEATHER AND FIT IN  
PERFECTLY

# Interior & Upholstery

One of the main benefits of customizing a Mercedes Sprinter van is its spacious interior. It has multiple customization options, including advanced audio-visual systems, space division walls, upgraded seats with leg-rests, bench seating, starlight headliner, tables, privacy shades, special storage compartments, and so much more.

# Center console options

## STANDARD/ STORAGE

Leave empty or create a custom storage space for anything you might need.

## NESPRESSO MACHINE

Built-in Nespresso machine for coffee on WITH INVERTER UPGRADE the go.

## BUILT-IN REFRIGERATOR

Will fit in a few snacks and drinks and keep cool for you.

## SAFE

A built-in safe is always a good idea to keep your valuables safe.

# Partition wall

THE PARTITION WALL NOT ONLY DIVIDES THE SPACE BETWEEN THE DRIVER AND THE PASSENGERS BUT AS WELL AS THAT IT ALLOWS US TO INSTALL:

A built-in retractable TV

Front central console

Extra speakers
